

# Selkirk Community Renewal Corporation

FALL 2016

## Community Survey

### Important Dates

- *September 13 @6:30pm*  
*Darewood School Forum*
- *September 21 @6:30pm*  
*Ruth Hooker Forum*
- *September 29 @1:00pm*  
*Gaynor Library Forum*
- *September 29 @5:30pm*  
*AGM*
- *October NRF deadline*

Selkirk Community Renewal Corporation (SCRC) is hosting a Community Survey and Community Forum.

What programs are working in Selkirk? What can be improved? Ideas? Suggestions?

We are working on our Community Plan for 2016– 2021 and we need your input in identifying our most important issues!

**Please fill out our Survey.**

**Ruth Hooker School**

**September 29th**  
**at 1:00pm**  
**Gaynor Family Regional Library**

## Domino's Pizza Selkirk

When our Community Facilitator Kristy saw on Facebook that Domino Pizza in Selkirk was looking for Organizations to donate pizza too she thought "I know a lot of deserving places".

A partnership quickly formed between SCRC and Selkirk Domino's Pizza. Kristy has been contacting non-profit organizations in Selkirk and getting their pizza orders. Selkirk Domino's has been delivering up to FIVE LARGE PIZZA'S!!

The first recipient was Selkirk's Nova House. They said they had families with them right now that would never have had this opportunity to have pizza delivered to them if it wasn't for this offer.

Recently, Selkirk Domino's Pizza delivered five large pizza's to Selkirk Habitat for Humanity Building Blitz. The children who volunteered there time helping with the Youth For Christ Parade Float were treat-

ed. Along with the hard working Volunteers at the Thrift Stores Twice Over and House of Economy.

Thank you to Selkirk Domino's Pizza for coming up with this amazing idea and letting us help you give back! To see who else Domino delivered to, follow us on Facebook! Do you have an organization you would like to nominate? E-mail Kristy at [cf.scrc@selkirkcrc.ca](mailto:cf.scrc@selkirkcrc.ca)

## Annual General Meeting

We are hosting our AGM on September 28 at 5pm in our office at 630 Sophia Avenue.

Please contact us to let us know if you can attend:

204-482-7005 or  
[scrc@selkirkcrc.ca](mailto:scrc@selkirkcrc.ca)

Your attendance is needed to keep SCRC strong in our Community.

It is a great way to hear what we have been up to this past year and what we have planned in 2017.

Elections will be held for seats for our Board of Directors. If

you are interested and need any information, please contact us or any of our current directors.

Our board meetings currently occur once a month at 12pm for approximately one hour.

We hope you attend, and please bring some friends!

## Neighbourhood Renewal Fund

The Neighbourhood Renewal Fund (NRF) assists Selkirk organizations representing residents and other local interests, in strengthening local capacity and revitalizing Selkirk through a broad range of locally planned and supported initiatives.

SCRC is available to assist with applications for the NRF.

Organizations are encouraged to submit their proposals to us for review at least 30 days in advance of submitting them to Neighbourhoods Alive!

We will work with you to strengthen your proposal by ensuring that your project meets the priorities in our community and contains all required information. NA!

**The next intake date is in October 2016.**

## Executive Director Report– Ashley Monkman

Fall has arrived and we have been very busy attending meetings for some new and exciting initiatives in Selkirk. Please check out our Facebook page (Selkirk Community Renewal Corporation) and website for upcoming announcements of new Programs/Events that will be available for residents.

We are currently working on our new **Neighbourhood Renewal Plan** for 2017-2022. The Neighbourhood Renewal

Plan is the most important document that our organization uses as it focuses on the five priorities set out by Neighbourhoods Alive! and is what we base funding approvals on for our Small Grants Fund. We are seeking input from residents as to what the needs are in Selkirk and what they would like to see developed and/or revitalized.

In order to gather this information we have a survey that can be completed on our

website at [www.selkirkcrc.ca](http://www.selkirkcrc.ca) and we are hosting three (3) Community Forums.

***Everyone is welcome to be a part of this process and by participating you will have the opportunity to win prizes.***

If you have any questions regarding our organization and our programming please feel free to contact us at any time.

## Community Facilitator Report– Kristy Magnusson

I have been out in the Community this summer at different events. It was wonderful to meet some great Selkirk Residents!

This fall we are rolling out our new Community Survey (on our website), which asks some great questions on your views of our city.

Please attend our forums during

September. I am eager to hear some great discussion on your issues, and some suggestions on how to improve them.

I have been working with different Community groups on getting an application into Neighbourhoods Alive for their Renewal Fund Grant. We are expecting the deadline to be mid– October. There is still

time to get your application in. Please contact me with your idea and we can help you with your proposal.

Here is to everything pumpkin!

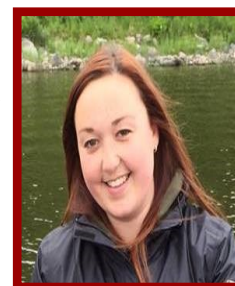

## MB Hydro Energy Advocate—Laura Harris

Manitoba Hydro's Affordable Energy Program is to help make homeowners homes more energy efficient and to make energy bills more affordable. I am canvassing door to door as well as attending community events to promote the Affordable Energy

Programs offered by Manitoba Hydro. Affordable Energy programs include free insulation to qualifying customers, and/or a gas high efficiency furnace for \$9.50 per month for 5 years.

For more information, contact Laura at [seap@selkirk.ca](mailto:seap@selkirk.ca) or 204.482.7005
